Mission Statement

At Exceed Learning Partnership, we are committed to improving the life chances of all children. Where we have the capacity to make a difference, we are morally bound to do so.

We believe every child deserves the best possible start in life - a world class education aimed at helping the children in Exceed Learning Partnership schools become successful learners, confident individuals and responsible citizens.

Our mission is to help every young person in our schools to expand their horizons, and build the confidence, talents, interests, skills and qualifications to succeed as they make their way towards a fulfilling and prosperous adulthood.

Members of the Trust strive together for excellence in partnership, so that our children, staff and communities benefit from excellent teaching, learning, leadership and opportunities.

Motto: ‘Every Child, Every Chance, Every Day!’

The child will always be at the centre, with personalised learning as our starting point, making the challenges of ‘Helping children achieve more’ a reality. Each child will be encouraged to develop a greater understanding of themselves as a learner, what their strengths are, how they can share these with others and their next steps in their continual learning journey. Pupils will be encouraged and inspired to believe in themselves, build dreams and aspirations and strive to achieve these.

Every child will be given the same opportunity to succeed, whatever his or her prior attainment. A key feature of the Exceed Learning Partnership will be a learning curriculum which builds the characteristics of Learning across all the schools within the trust. This will focus on our learning philosophy skills: Resilience, Motivation, Collaboration, Creativity, Investigation, Teamwork and Evaluation.

What are our Key Values for Learning?

Passion - Working in education, we have the ability to profoundly change children’s lives; the stakes are incredibly high. Our aim should always be to provide for the pupils of our Academies what we would want for our own children.

Urgency - The amount of time children spend in education is finite. We have a responsibility to ensure every moment a child is in an Exceed Learning Partnership School, must be spent productively. Once wasted, it is gone forever and cannot be given back.

Positivity - Staff have a responsibility to be positive and supportive of each other. Negativity leads to low expectations and a culture where excuses are tolerated.

Aspiration - Embodied in the Trust motto, “Every Child, Every Chance, Every Day” all members of staff aim for excellence in their individual professional roles.

Commitment - Staff are prepared to go the extra mile to provide the best possible education for their pupils. The interests of children are always placed ahead of those of staff.
Principles Underlying our Academies

- All share a relentless drive to support every child to make better than good progress in their learning to reach their full potential - **Raising Standards**
- Have the highest expectations of all children and staff - **Raising Expectations**
- Ensure all children become highly motivated and can challenge themselves to meet high expectations and aspirations - **Raising Aspirations**
- Help children develop high self-esteem-respecting and taking responsibility for themselves, others and the environment - **Raising Confidence**
- Recognise and reward success - **Rewarding Success**
- Deliver consistently high quality lessons which enable students to learn well - **Teaching and Learning**
- Develop independent learning, communication, literacy and numeracy skills across all subject areas - **Core Skills**
- Provide a creative and challenging curriculum which is personalized to meet the needs of all students - **Curriculum**
- Create a variety of opportunities to promote students’ spiritual, moral, social and cultural development - **SMSC**
- Develop positive and secure ‘Learning partnerships’ between school, home and the community - **Community Cohesion**

Our Core Goals for our Academies

1. Our academies to excel in Statutory Test Outcomes for all their learners.
2. All academies enrolled within Exceed Learning Partnership to be capable of good or outstanding judgements from OFSTED when next inspected after two years of joining the Trust.
3. Our academies will develop innovative and transformational teachers who are constantly reflecting on the best ways to improve learning.
4. Our academies to be oversubscribed or on a significant upward admissions trend
5. The academies to be working closely together within Exceed Learning Partnership, creating a sustainable model of high quality education for the pupils who attend them. This will be as a result of accessing high quality corporate services, sharing ideas that work, adoption of appropriate common policy and practice, co-development, support provision and utilising teachers, leaders and support staff for the benefit of all academies.
6. Exceed Learning Partnership to be self-sustaining and outward looking, using its capacity to support those who are underprivileged, in difficulty, or in any other way in need.
7. An inclusive culture to be the norm in each academy, with exclusions rare and every pupil leaving their academy with a plan for the next stage of their educational journey.
8. The Professional Development Programme to be producing high quality committed professionals and future leaders for ELP academies as well as schools beyond.
9. ELP academies to be recognised nationally as organisations of high quality, producing outstanding results within a culture of innovation and achievement.

Dear Applicant

Thank you for your interest in the position of Class Teacher at Edlington Victoria Academy.

At Edlington Victoria Academy we strive to appoint highly motivated individuals who can take the Academy forward and deliver our vision and ethos. We value every pupil’s wellbeing and aim to give every pupil an opportunity to reach their potential, with the help of a very dedicated team of staff, governors, parents and pupils.

This is an exciting opportunity for the successful applicant to use their skills and individuality and support us in our continuing journey of improvement. In July 2016 the academy, previously Edlington Victoria Primary, was judged to be ‘good’ by OFSTED. Some of the strengths noted were:

- The Executive Principal who is also the CEO of the Trust has been an inspirational force, setting out a clear vision for how successful the school can be. As a result of her excellent leadership, substantial improvements have been made since the time of the last section 5 inspection and standards have improved at every key stage.

- The head of school has kept a relentless focus on changing the school for the benefit of pupils, ensuring rapid improvement in the quality of teaching and in pupils’ attitudes to learning.

- Middle leaders have been effective in improving the teaching of English and mathematics and consequently the majority of pupils are working at levels expected for their age.

- As a result of good teaching, almost all pupils are now making expected progress and many make accelerated progress.

- Pupils behave well in lessons and around the school. Pupils have a well-developed understanding of how to improve their learning, resulting in them taking responsibility for their successes and learning from failure.

Following on from the OFSTED inspection we feel that there are still lots of great things that we would like to consolidate and implement to ensure that our pupils truly achieve their potential. We would like to appoint someone who has the same vision and drive for our pupils and can add positively to what we already have in place.

I hope this will inspire you to apply for this unique opportunity and I look forward to receiving your application. Once again thank you for your interest in the position.

Emily Clark
