

# 20<sup>TH</sup> NOVEMBER 2020 8.30 - 11.30 AM LEADERSHIP FOR HEALTH AND WELLBEING

## Doncaster Leadership Network

**Please join us for our second Doncaster Leadership Network for educational settings. This free event is for Heads, Principals and leaders of all our educational settings in Doncaster.**

Our keynote speaker will be **Professor Jonathan Glazzard** who is Professor of Inclusive Education in the Carnegie School of Education, Leeds Beckett University. In 2015 he was awarded National Teaching Fellow status by the Higher Education Academy and is a Principal Fellow of the HEA. He is Principal Researcher in the Carnegie Centre of Excellence for Mental Health in Schools. We will also be sharing **4 case studies of best practice** in supporting health and wellbeing in their educational settings for staff and pupils. Leaders in Doncaster will have an opportunity to network with others in the system, share best practice and have time to reflect on important leadership issues to come up with common solutions.
